## DANSVILLE CENTRAL SCHOOL DISTRICT

### *Discover the Charm of Dansville*

Nestled in the heart of the Finger Lakes region, Dansville offers the charm of small-town living surrounded by picturesque rural beauty — all while providing easy access to stunning natural landscapes and nearby urban hubs.

Conveniently located along Interstate 390, midway between Rochester and Corning, Dansville is just minutes from some of New York's most breathtaking destinations. Stony Brook State Park is right on our doorstep, while Letchworth State Park and Conesus Lake are both less than 20 minutes away.

Dansville is also home to Noyes Hospital, an affiliate of the University of Rochester Medical Center, which employs over 500 residents from Dansville and the surrounding communities. Our historic Main Street is undergoing an exciting revitalization, enhancing the charm and vibrancy of our central business district.

Education is a cornerstone of our community. The Dansville Central School District serves students from Pre-K through 12th grade across three schools: Dansville Primary School (PreK–2), Ellis B. Hyde Elementary School (3–6), and Dansville High School (7–12). We embrace our mission to collaboratively prepare every student for *their* successful future.
